Gear Lubricants

Application of Fourier Transform Infrared Spectroscopy for Customer Support, Addis, Janice R., April, 1990, (1)

New Look in Automotive Gear Oils for Heavy Duty Axles and Manual Transmission, The, Norman, Steve and Klein, Richard M., August, 1990, (5)

Global Requirements for a New Generation of Automotive Gear Oils, Norman, Steve, Klein, Richard, and Meitz, Gregory S., March, 1991, (12)

Proposed Automotive Gear Lubricant Categories, Sutherland, J. Mark, August, 1990, (5)

General

Evaluating Today's Sorbent Technology, McMillen, Tim, January, 1991, (10)

Ferrographic Analysis of Grease Lubricated Systems in a Helicopter Gear Box, Dalley, Raymond J., August, 1990, (5)

NLGI's Technical Committee Supports the Industry, Musilli, Thomas G., February, 1991, (11)

President's Address, Portwood, Robert B., December, 1990, (9)

Technology and Lubricants - The 1991 Domestic Automobiles, Fennema, Roger L. and Doombos, Daniel L., January, 1991, (10)

Marketing

When the Chief Talks, People Listen, Adams, H.D., July, 1990, (4)

Lubricating Grease - Additive

Development and Performance Evaluation of a High Performance Extreme Pressure Aluminum Complex Grease, Bhatia, J., Bhatta, A.K., and Mukherjee, S.K., July, 1990, (4)

Grease Research at the L.M.C. in France, Vergne, Dr. Philippe, November, 1990, (8)

Novel Rust Preventatives, John, Dr. Glyn and Tury, Bernard, June, 1990, (3)

Sulfonates as Corrosion Inhibitors in Grease, Baker, Robert F. and Vaast, Peter F., February, 1991, (11)

Lubricating Grease - Application

Grease Problems in the Steel Industry, Gordon, Joseph R., April, 1990, (1)

Problems of Grease Research, Manufacture and Application, Ischuk, Yuri L., December, 1990, (9)

Rockdrill Grease Lubrication in South African Gold Mines, Dalle-Carbonare, Cesare P.M. and Langdon, Arthur, October, 1990, (7)

Lubricating Grease - Bearings

Contamination and the SKF New Life Theory for Roller Bearings, Ioannides, E., December, 1990, (9)

Lubricating Grease - Characteristics

Development and Performance Evaluation a High Performance Extreme Pressure Aluminum Complex Grease, Bhatia, J., Bhatta, A.K., and Mukherjee, S.K., July, 1990, (4)

Grease Research at the L.M.C. in France, Vergne, Dr. Philippe, November, 1990, (8)

Structural Changes in Urea Greases Electron Microscopic Observation of DUDM [4, 4' bis (3-decyl ureido diphenyl methane)], Okamura, S., Hasegawa, H., Hasegawa, M., Hayashi, Y., and Yamamoto, T., January, 1991, (10)

Synthetic Fluid Based Lubricating Greases, Wunsch, Fritz, February, 1991, (11)

Lubricating Grease - Composition

Synthetic Fluid Based Lubricating Greases, Wunsch, Fritz, February, 1991, (11)

Lubricating Grease - Manufacture

Grease Manufacturing in Peru, Navarro, Miguel Perez, October, 1990, (7)

Grease Manufacturing by Means of High Concentrate Saponification, Duringhof, Ruud, November 1990, (8)

Lubricating Grease - Methods of Application

Rockdrill Grease Lubrication in South African Gold Mines, Dalle-Carbonare, Cesare P.M. and Langdon, Arthur, October, 1990, (7)

Lubricating Grease - Non-Soap Thickeners

Structural Changes in Urea Greases Electron Microscopic Observation of DUDM [4, 4' bis (3-decyl ureido diphenyl methane)], Okamura, S., Hasegawa, H., Hasegawa, M., Hayashi, Y., and Yamamoto, T., January, 1991, (10)

Lubricating Grease - Packaging

Plastic Packaging and the Environment, McDonald, John M., September, 1990, (6)

Lubricating Grease - Requirements

Grease Problems in the Steel Industry, Gordon, Joseph R., April, 1990, (1)

Problems of Grease Research, Manufacture and Application, Ischuk, Yuri L., December, 1990, (9)

Lubricating Grease - Rheological Properties

Rheological Model for Grease, A, Hardy, Bryant J., November, 1990, (8)

Lubricating Grease - Testing

Application of Fourier Transform Infrared Spectroscopy for Customer Support, Addis, Janice R., April, 1990, (1)

Ferrographic Analysis of Grease Lubricated Systems in a Helicopter Gear Box, Dalley, Raymond J., August, 1990, (5)

Oscillating Roll/Slide Test Machine for Screening Properties of Greases Used in Constant Velocity Joints, Anderson, Mike, June, 1990, (3)

SPC and the NLGI Consistency Number - A Source of Conflict?, Beret, S. and Trabert, G.R., July, 1990, (4)

Lubricating Grease - Classification

Classification and Specification for Automotive Service Greases - A New Industry Standard, Verdura, Thomas M., May, 1990, (2)

SPC and the NLGI Consistency Number - A Source of Conflict?, Beret, S. and Trabert, G.R., July, 1990, (4)

Environmental Issues

Plastic Bottles and the Environment, Claes, Gerald J., September, 1990, (6)

Plastic Packaging and the Environment, McDonald, John M., September, 1990, (6)

Used Oil Rerefining Without Hazardous Waste Byproducts: A Case History of Evergreen Oil, Ray, Gregory and Dillon, Christine, March, 1991, (12)
